Dear Parents/ Carers,

## Update on Phased Return to School

I would like to once again thank you for your hard work supporting your children with their home learning for many weeks now.

School staff have ensured that the safety, welfare and well-being of all children, whether at home or in school, remains paramount. Each week we have risk assessed the school site and staffing arrangements to consider whether it is safe to increase the numbers of children in school. I am pleased to say that we have been able to honour our original plan and have welcomed back children in Year 6, Year 1, nursery and Reception as well as increasing provision for key worker or vulnerable children in all year groups.

The latest government guidance states that there is no expectation on primary schools to welcome back additional children where they do not have the capacity to do so. As we have some members of staff who are shielding, it will not be possible to invite all children in Years 2-5 back this term.
