Dear Parents/ Carers,

**Re: planned re-opening of Harrington Hill to more pupils in June 2020**

We know you will have seen in the news that schools may re-open on 1<sup>st</sup> June 2020 to nursery, reception, year 1 and year 6 pupils **if** the government thinks it is safe to do so by then.

We have received the government's guidance and we are waiting for further advice which will hopefully help us create detailed plans for the school's phased re-opening. We will share these plans with you as soon as possible.

It is a very unsettling time for everyone, but we would like to reassure you that the school is doing everything to make sure we are ready to receive these year groups if it is safe for the children and staff to re-open in the coming weeks.

We will keep you updated with our preparations for making sure the school is as safe as possible, so you can make a decision as to whether you want your child to return to school. In the meantime, the school is still open **only** for vulnerable pupils and the children of essential workers.

We would like to thank you for your continuous support in helping your child learn from home. We will need to keep going with this for a while yet, so please do continue to do what you can. It has been wonderful to hear of the work that has been carried out by your child/children during this time.

If you have any questions, please contact us via email:
