

Striving for Excellence. Achieving Together.

Striving for excellence. Inspiring to achieve collaboratively through respect, happiness and creativity.

We are independent and reflective for continuous improvement.

To help the children achieve this vision our staff will:

Be ready to teach:

- My lessons will be prepared, pitched correctly and exciting.
- I will have good subject knowledge.
- I will set myself high standards for teaching in my school.

Value Learning:

- I will make every second count.
- I will reflect on my lessons and look at ways to further improve them.
- I will celebrate successes and give regular good quality feedback to children, parents and colleagues.
- I will have high expectations for learning and behaviour.
- I will facilitate both independent and collaborative learning.
- I will make a commitment to my professional development and the professional development of others.

Be a role model:

- Treat others as I wish to be treated.
- I will be professional, have good manners and be a role model for behaviours in children.
- Dress professionally.
- I will follow school procedures.
- I will be punctual.
- I will promote the school positively in the wider community.

I have a right to:

- Feel proud of the school I belong to.
- Feel safe and happy.
- Know how well I am doing and ask for help if I need it.
- Feel involved in shaping my school.
