Know how to:

Explore the effect of light on people and objects from different directions and compositions, interpreting the texture of a surface and concept of perspective.

Explore the use of colour for purpose, emotions and storytelling and identify how they are embedded into work.

Produce increasingly accurate drawings of people by refining different techniques such as shading, stippling, cross hatching, weaving and scribbling.

Explore mixing colours to create tones, hues, shades to portray emotion and feeling.

Use a range of painting techniques, stippling, dry brushing, glazing and sgraffito.

Creating texture with different types of paint (layering, carving, etching into paint) by using different materials.
