

Wednesday 9th March 2022

Dear Parent/Carer,

Next week, the children of Harrington Hill will be getting involved with several activities in hopes to raise money for Comic Relief – Red Nose Day.

This event will help transform the lives of some of the poorest and most disadvantaged families both at home, in the UK and across the world.

Red Noses

From Monday 14th onwards, School Council will be selling the very special 2022 Red Noses across the school. If your child would like to purchase a Red Nose this year, please bring in £1.50 and hand it over to the class teacher.

Red Nose and Spoon Race

All classes from Nursery – Year 6 will be taking part in a 'Red Nose and Spoon' race this year. This will be held on Monday for all classes in the upstairs hall. We will be taking photos, which will later be published on the Harrington Hill newsletter, so keep an eye out for those!

Non-School Uniform Day

On Friday 18th, we would love to see the children of Harrington Hill come into school wearing something red! The children are encouraged to donate £1 to further support the charity. Just a thought – Why not dress up as your favourite 2022 Red Nose?

We aim to raise a minimum of £300 as a school this year! If we achieve this goal, 3 children will randomly be selected to pie a staff member in the face with whipped cream! Make sure to buy a Red Nose to be added into the draw!

If you have any questions, please do not hesitate to contact me on 0208 806 7275.
