A few of the comments received:

We love the school immensely, we will never find one like this.

Happy! Thank you for everything. Amazing!

My child has grown in confidence and is happy. She has built great relationships with her peers and teachers.

We would like more extra-curricular activities.

When there are issues between students, sometimes, it isn't clear what is being done to rectify the situation. More eyes needed to observe friend-on-friend bullying.

Thank you to everyone who completed the survey. Such positive feedback is very encouraging for all of the staff. The views of parents and carers matter to us and we will continue to take on board suggestions for ways in which we can continue to improve.
