Some comments received:

"My son is really happy to go to school and as parents make my day easy, I don't have to be worried about him while I am working, I know he is in a good place and in safe hands."

"Very happy with the progress my son is making. Would be great if there was more input with extra curricular music activities such as instrumental tutors from Hackney Music Service."

"I am very pleased with the school in every way. They have been so helpful to me and my family and I appreciate this very much. Thank you with all my heart for supporting us through this very hard time, and you are more than a school, so kind, thoughtful and caring. We love you and thank you so much for being there for us for the past five years."

"Thank you for your support and hard work in helping my child to achieve his potential."

"At lunch time some children would like to enjoy different types of activities (football for example)."

"I love all the staff and they help with any issues."

"We are all happy with the school and wish everything continues perfectly."

Thank you to everyone who completed the survey. Such positive feedback is very encouraging for all of the staff. The views of parents and carers matter to us and we will continue to take on board any suggestions for ways in which we can continue to improve.
