The School is also required to share information about our pupils with Haringey Council as the local authority and the DfE under section 3 of The Education (Information About Individual Pupils) (England) Regulations 2013.

The National Pupil Database (NPD) is managed by the DfE and contains information about pupils in schools in England. The information is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

Harrington Hill School is required by law to provide information about our pupils to the DfE as part of statutory data collections, for example, the school census; some of this information is then stored in the NPD.

The DfE has robust processes in place to ensure the confidentiality of any data shared from the NPD is maintained.
