

Jigsaw PSHE is a progressive scheme of learning where knowledge and skills build year on year across the programme. The table below shows how the Changing Me Puzzle (unit of work) develops in this year group, including some of the key vocabulary. Schools may adapt content to fit their policy, so please check with your child's school for specific details.

Ages 3-5	Puzzle overview: Changing Me	
	Children are encouraged to think about how they have changed from being a baby and what may change for them in the future. They consolidate the names and functions of some of the main parts of the body and discuss how these have changed. They learn that our bodies change in lots of different ways as we get older. Children understand that change can bring about positive and negative feelings, and that sharing these can help. They also consider the role that memories can have in managing change.	
	Knowledge	Social and emotional skills
	<ul style="list-style-type: none"> • I know the names and functions of some parts of the body • I understand that we grow from baby to adult • I know who to talk to if I am feeling worried • I understand that sharing how I feel can help solve a problem or worry • I understand that remembering happy times can help us move on 	<ul style="list-style-type: none"> • I recognise that changing class can elicit happy and/or sad emotions • I know I can say how I feel about changing class or growing up • I can identify how I have changed from a baby • I understand what might change as I get older and explore how this makes me feel • I can identify positive memories from the past year in school/home
	Vocabulary	
angry, argue, calm, family, feelings, friends, jobs, lonely, relationships, upset		

This page offers simple ways to support your child's learning at home. The questions, ideas, and resources below encourage meaningful discussion, independence, and practising key life skills in everyday situations.

Talking Together: suggested questions to support Changing Me learning at home		
Ages 3-5	Growing and changing <ul style="list-style-type: none"> • How were you different when you were a baby? • What can you do now that you couldn't do before? • What are you looking forward to as you get older? 	Knowing our bodies <ul style="list-style-type: none"> • What are some parts of your body and what do they help you do? • How does your body help you play and learn? • Why is it important to take care of our bodies?
	Talking about feelings <ul style="list-style-type: none"> • How do you feel about growing up? • What can you do when you feel worried or upset? • Who can you talk to if you need help? 	
Getting help and solving problems <ul style="list-style-type: none"> • Who helps you when you have a problem? • What can you do if something is worrying you? • How can sharing your feelings help solve problem? 	Happy memories <ul style="list-style-type: none"> • What are some happy memories from this year? • How can remembering happy times help when we feel sad? • What special things do you remember doing? 	Feelings about change <ul style="list-style-type: none"> • How can change make us feel happy and sad at the same time? • What changes are happening for you soon? • What can help you feel calm about change?
Resources and additional support for Families		
<ul style="list-style-type: none"> • NSPCC - Early Years Resources – guidance to help children understand feelings and transitions • BBC Tiny Happy People – resources to support emotional development and communication • Anna Freud Common difficulties for under fives • Visit your local library to explore a range of age-appropriate fiction and non-fiction books linked to the Changing Me theme.

Jigsaw PSHE is a progressive scheme of learning where knowledge and skills build year on year across the programme. The table below shows how the Changing Me Puzzle (unit of work) develops in this year group, including some of the key vocabulary. Schools may adapt content to fit their policy, so please check with your child's school for specific details.

Ages 5-6	Puzzle overview: Changing Me	
	In this Puzzle, children learn about life cycles and the changes that happen as humans and animals grow. They reflect on how their own bodies have changed and develop understanding that everyone grows at different rates. Across the six Pieces, children learn the correct names for private body parts, explore how boys' and girls' bodies can be different, and practise respecting their own bodies and those of others. They also think about feelings linked to change, such as excitement and worry, and learn ways to cope.	
	Knowledge	Social and emotional skills
	<ul style="list-style-type: none"> • I am starting to understand the life cycles of animals and humans • I can tell you some things about me that have changed and some things about me that have stayed the same • I can tell you how my body has changed since I was a baby • I can identify the parts of the body that make boys different to girls and can use the correct names for these: penis, testicles, vulva, anus • I understand that every time I learn something new, I change a little bit • I can tell you about changes that have happened in my life 	<ul style="list-style-type: none"> • I understand that changes happen as we grow and that this is OK • I know that changes are OK and that sometimes they will happen whether I want them to or not • I understand that growing up is natural and that everybody grows at different rates • I respect my body and understand which parts are private • I enjoy learning new things • I know some ways to cope with changes
	Vocabulary	
adult, adulthood, anus, anxious, baby, change, changes, coping, curious, excited, feelings, female, grow, growing up, growth, happy, learn, life cycle, male, nervous, new, penis, proud, testicles, vulva, worried		

This page offers simple ways to support your child's learning at home. The questions, ideas, and resources below encourage meaningful discussion, independence, and practising key life skills in everyday situations.

The table below shows how the Changing Me Puzzle (unit of work) develops in this year group, including some of the key vocabulary. Schools may adapt content to fit their policy, so please check with your child's school for specific details.

Ages 6-7	Puzzle overview: Changing Me	
	In this Puzzle, children explore life cycles in nature and how humans grow from young to old, learning that some changes are outside their control. They reflect on how their own bodies and independence change over time and develop respect for differences in themselves and others. Across the six Pieces, children learn correct names for body parts, understand privacy, and practise being assertive about touch and personal boundaries. They also think about feelings linked to future change, such as excitement and worry, and learn ways to cope.	
	Knowledge	Social and emotional skills
	<ul style="list-style-type: none"> • I can recognise cycles of life in nature • I can tell you about the natural process of growing from young to old and understand that this is not in my control • I can recognise how my body has changed since I was a baby and where I am on the continuum from young to old • I can recognise the physical differences between boys and girls, use the correct names for parts of the body (penis, anus, testicles, vagina, vulva) and appreciate that some parts of my body are private • I understand there are different types of touch and can tell you which ones I like and don't like • I can identify what I am looking forward to when I move to my next class 	<ul style="list-style-type: none"> • I understand there are some changes that are outside my control and can recognise how I feel about this • I can identify people I respect who are older than me • I feel proud about becoming more independent • I can describe what I enjoy about being a boy or girl whilst understanding we are all different • I am confident to say what I like and don't like and can ask for help • I can start to think about changes I will make when I am in Year 3 and know how to go about this
	Vocabulary	
adult, anus, anxious, baby, change, child, cope, comfortable, control, dislike, elderly, excited, female, freedom, fully grown, grow, growing up, hug, independent, life cycle, like, looking forward, male, nervous, old, older, penis, physical, private, public, respect, responsibilities, teenager, testicles, texture, timeline, toddler, touch, uncomfortable, vagina, vulva, young

The table below shows how the Changing Me Puzzle (unit of work) develops in this year group, including some of the key vocabulary. Schools may adapt content to fit their policy, so please check with your child's school for specific details.

Ages 7-8	Puzzle overview: Changing Me	
	<p>In this Puzzle, children learn how babies grow and explore the physical changes that happen to bodies as people grow up, including some inside and outside changes linked to puberty. They develop understanding of personal hygiene and why caring for their bodies becomes more important as they grow and change. Across the six Pieces, children reflect on their feelings about change, learn correct vocabulary for body parts, challenge family stereotypes, and consider who they can ask for help if they feel worried. They also think about future transitions and how to cope with them.</p>	
	Knowledge	Social and emotional skills
	<ul style="list-style-type: none"> • I understand that in animals and humans lots of changes happen from birth to fully grown, and that in mammals it is the female who has the baby • Can identify how boys' and girls' bodies change on the inside during the growing up process and why these changes are necessary so that their bodies can make babies when they grow up • I understand that as boys' and girls' bodies change at puberty, they need to think more about keeping clean and healthy • I know some simple ways of keeping clean which can keep me healthy and protect me from some infections • I can start to recognise stereotypical ideas I might have about parenting and family roles • I can identify what I am looking forward to when I move to my next class 	<ul style="list-style-type: none"> • I can express how I feel when I see babies or baby animals • Recognise how I feel about these changes happening to me and know how to cope with those feelings • I have started to think about the ways to keep my body clean as I grow up and how I feel about this • I can express how I feel when my ideas are challenged and might be willing to change my ideas sometimes • I can start to think about changes I will make next year and know how to go about this
	Vocabulary	
<p>animals, babies, birth, breasts, care, challenge, change, changes, control, egg, family, female, genitals, growing up, looking forward, male, mother, ovaries, ovum / ova, penis, personal hygiene, puberty, pubic hair, roles, scrotum, sperm, stereotypes, task, testicles, vagina, womb / uterus, worries</p>

The table below shows how the Changing Me Puzzle (unit of work) develops in this year group, including some of the key vocabulary. Schools may adapt content to fit their policy, so please check with your child's school for specific details.

Ages 8-9	Puzzle overview: Changing Me	
	In this Puzzle, children explore identity and what makes them unique while learning about physical and emotional changes linked to puberty, including menstruation. They consider the role of families, trusted adults, and inner circles in providing care and support. Across the six Pieces, children develop strategies for coping with change, managing worries, and accepting things beyond their control. They practise reflecting on personal goals and positive changes they would like to make.	
	Knowledge	Social and emotional skills
	<ul style="list-style-type: none"> • I understand that lots of things make up a person's identity and this is what makes them unique • I can describe how a girls' body changes in order for her to be able to have babies when she is an adult, and that menstruation (having periods) is a natural part of this • I know there are many types of family and that often our family members form part of our inner circle • I know there are trusted people I can turn to if I need help and support as I grow up and go through puberty • I know how the circle of change works and can apply it to changes I want to make in my life • I can identify changes that have been and may continue to be outside of my control that I learnt to accept • I can identify what I am looking forward to when I move to a new class 	<ul style="list-style-type: none"> • I can describe how I will have choices about developing my own identity and interests as I grow up and that these will contribute to who I am • I have strategies to help me cope with the physical and emotional changes I will experience during puberty • I know that sometimes I may feel anxious about growing up and this is normal. There are people who can support me • I am confident enough to try to make changes when I think they will benefit me • I can express my fears and concerns about changes that are outside of my control and know how to manage these feelings positively • I can reflect on the changes I would like to make next year and describe how to go about this
	Vocabulary	
acceptance, anxious, belonging, care, characteristics, change, choices, circle, control, family, fallopian tube, hobbies, hormone, identity, inner circle, interests, love, looking forward, menstrual cup, menstrual cycle, menstrual pads, menstrual towel, menstruation, ovaries, panty liner, period pants, period products, periods, personality, proud, proportionate, puberty, reliable, seasons, skills, support, tampons, trusted adult, trustworthy, unique, values, vagina, vulva, womb
