

Mission Statement, Vision and Values Framework

Mission Statement

Our school motto '**Striving for Excellence, Achieving Together**' reflects our ambition for all children. By providing an excellent education, we aim to develop confident and responsible individuals who care about themselves and one another. We inspire all children to achieve their best, now and in the future.

Our Vision

Through a passion for learning rooted in mutual respect and warm, honest relationships, our school community provides for **all** to succeed and achieve.

Our Values

Community

Respect

Equity

Excellence

Kindness

ARP Values:

Community

We foster an environment where staff, parents, and external specialists collaborate to create tailored learning experiences for pupils in the Autism Resource Provision. This collaborative approach ensures that each pupil's unique needs are met effectively. We actively engage with local organisations and community resources to provide additional support and opportunities for our pupils accessing the ARP.

Respect

We celebrate individual difference and foster values of mutual respect preparing pupils with SEND for the diverse world in which we live, and helping them reach their goals within it. We actively encourage pupils with SEND to communicate their ideas and opinions because we value their input. We believe in treating others as we wish to be treated ourselves.

Equity

We celebrate difference and recognise that every child is unique. Equity means giving every pupil what they need to belong, participate and succeed. We are inclusive mainstream by default, removing barriers and adapting our ambitious curriculum so that all pupils learn alongside their peers wherever possible. Children accessing our ARP are an integral part of our school community, accessing mainstream learning and experiences alongside carefully planned specialist support tailored to their individual needs.

Excellence

We strive for excellence in all that we do. We have high expectations and uphold high standards for ourselves and others. Teachers expertly adapt teaching to provide a high-quality inclusive education to pupils with SEND. We look after our mental health and wellbeing to enable us to be the best versions of ourselves.

Kindness

We believe in being there for each other and always acting with kindness. We always aim to be beacons of positivity. To support autistic pupils in showing kindness, we model kind behaviours, reinforce helpful actions, and provide structured learning opportunities, including social stories and empathy training.
