Sports Premium Funding Report 2026- 2027

At Harrington Hill we aim to provide a high-quality physical education curriculum that inspires all of our pupils to succeed and excel in competitive sport and other physically demanding activities. We want to provide opportunities for our pupils to become physically literate and confident in a way which supports their health and fitness as they move towards making their own choices as young adults. In addition, we aim to provide opportunities for children to compete in sport and other activities in order to build character and help to embed values such as team work, fairness and respect.

Our Primary School Sports funding enables us to continue to extend our provision to ensure that all pupils are giving an equal opportunity to access PE and sports, through a lunchtime sports club, participating in regular sports competitions, staff training, and purchasing additional resources to deliver high quality PE and Games sessions.

Primary School Sports Funding 2026-2027
The government, a few years ago, increased the amount of funding per annum for schools to provide new and substantial primary school sports funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. This year the school will receive approximately £34,850

Purpose of the funding
Schools must spend the additional sport funding on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles. Each school has the freedom to choose how they do this. Schools receive PE and sport premium funding based on the number of eligible pupils in Years 1 to 6 at the January census.

Information about the Government initiative for funding sport in primary schools can be found at:
https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools

What is our sports provision like at Harrington Hill?

From Year 1 upwards all children receive at least 1 hour and 45 minutes of dedicated PE time per week. These sessions, focusing on both development of skills and games experience, are taught by class teachers.

Over the year, the children are exposed to the full PE curriculum and develop their skills in dance, athletics, gymnastics and games. Children in and Year 5 also have swimming lessons during the year.

In addition to these lessons, we offer a lunchtime sports club which include football for both girls and boys.

We also offer outdoor pursuit lessons and an outdoor residential education learning experience for Key Stage 2 pupils.

As children progress through the school they are also given opportunities to take part in borough - wide competitions and some children have even gone on to represent the borough in wider London events.

How we plan to spend the Sports Funding 2026-2027:
In the financial year April 2026 - March 2027 we will receive a total of £19273

Primary PE Sports Grant awarded 2026 – 2027	
Total number of pupils on role eligible (age 5 years in January)	190

To sign up to more competition using young and active.

Review and impact of 2025– 2026

- CPD provided for teachers (senior PE lecturer) in Spring term. Feedback was very positive and particularly helpful focus on adaptive teaching and adapting resources to ensure inclusion.

- CPD provided for teachers in Y1,2, 4 and 5: Specialist cricket coach lesson support.

- A specialist Arsenal coach ran a lunch time club for a group of girls in Y1-Y3. They took part in developing skills such as a passing, tackling, defending and coordination and developed knowledge on the rules of the game.

- A range of sporting equipment was purchased throughout the year to support learning in PE and games and to provide greater opportunities for quality active play during break and lunchtimes.

- Healthy Choices Week provided opportunities to focus on healthy eating and well-being.

- Pupils from across the school took part in regular competitions with other schools. This included boys and girls' football, tag rugby, tennis, basketball and various SEND focused events.

- Affordable after school clubs run by support staff in dance, football, cricket and rugby. Pupil and parental feedback were highly positive. These sessions were made accessible for pupil premium children through subsidised pricing.

- 23 children from Year 6 went to Brush craft Campsite for their residential. The children took part in a variety of outdoor activities and wide games. The children grew in confidence and learnt new skills.

- 29 Year 5 children accessed canoeing and kayaking sessions at Leaside Water sports Club in the Summer term. The majority of children were learning to canoe for the first time.

Impact of swimming 2025 -2026

Meeting national curriculum requirements for swimming and water safety	Percentage
What percentage of Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres?	75%
What percentage of Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke?	85%

What percentage of Year 6 pupils could perform safe self-rescue in different water-based situations?	60%

Number of children in the Cohort: **30**

Measuring Impact
The school will measure the impact of the sports fund grant spending at the end of 2025/26 through: pupil interviews

- questionnaires
- staff skills audits
- staff surveys
- parent questionnaires
- participation in sports competitions
- analysis of attendance at clubs and extra-curricular activities.
- Student voice
- Learning walk
- Co teaching

Parents will be informed of new sporting opportunities throughout the year, but please do not hesitate to contact school should you require further information
